The Olympia-Capital Rotary Club Teddy Bear Tea Party is excited to welcome you to join our success at helping homeless and literacy programs in Thurston County. This 12th annual service project directly helps the large number of homeless children in our community. Capital Rotary and our sponsors provide much needed resources for youth homeless and literacy initiatives. We not only participate in and support Homeless Backpack Program, Safe Place and the Family Support Center, but also provide scholarships and school supplies for college-bound homeless students. Additionally, we have provided bookshelves and books for the South Sound Reading Foundation and Madison Elementary School.

*Kelly Wilson from Homeless Backpacks says, "Capital Rotary has wrapped their arms around the mission of the Homeless Backpacks program. The funds, time and heart they joyously give truly makes a difference for every homeless student we serve. Your love and generosity are felt by all."*

Here is how you can participate in one of the most worthy projects in our community. Choose a sponsorship that works for your business or you personally. 100% of your donation goes to helping the homeless and literacy initiatives. Your donation will make a difference in the lives of these children.

Mail Your Check to:  
Capital Rotary Club  
PO Box 2261  
Olympia, WA 98507
